December 2020 Class Schedule - [Course ID#: NG112320](#)

Our Quality CNA Training course trains individuals in the art of caregiving, focusing on the five principles of care that should inform every decision a caregiver makes: safety, privacy, dignity, independence, and communication. Our comprehensive training approach includes a variety of learning styles to help every student master their skills. In addition to in-class activities, each student has the opportunity to receive one-on-one instruction outside of class to help master their skills.

INDEPENDENT Google Classroom: Although we have designated specific times for you to work on your Google Classroom, this work is done independently and at a time that works best for you. HOWEVER, you must have all of the required goggle classroom work completed by 12/04/2020. Your online instructor will explain this in detail during your first zoom meeting on 11/23/2020 at 4:30pm. Zoom meetings are typically 15 - 30 minutes.

***Clinical:** Each student will complete four sessions of clinical. Students may be assigned to Group 1 or Group 2 for clinical based on class size. The clinical dates listed are subject to change based on clinical site availability and instructor scheduling. *(Due to COVID-19, clinicals are currently done in a simulated lab until the Healthcare Facilities can safely allow students back into the facility.)*

****Flex Day:** This day is to be used for additional class time, as a weather make-up day, emergency cancellation day etc. as determined by Quality CNA Training. If needed, time scheduled on this day is MANDATORY for all students.

***** Make Up Time:** Students are allowed to miss the equivalent of ONE classroom day HOWEVER this time is required to be made up on a day approved by the instructor. All missed time will cost \$35.00 per hour to make up and must be paid in advance.

****** TB Test Due:** Students without the required 2-step TB test by the date listed above will be dismissed without refund. *(Due to COVID-19, students currently only need to complete the TB Waiver form instead of the 2-step TB test.)*
