Class Expectations: Students are expected to arrive 10 min. prior to the start of all in-person dates so class can start on time, this includes both online Zoom meetings. Students can miss the equivalent of ONE classroom day; HOWEVER, this time is required to be made-up on a day approved by the instructor. All missed time will cost \$35 per hr to make up & must be paid on the make-up day.

Zoom Meetings: The "Orientation" and "Final Exam" are completed via Zoom. Students will need a device with a working camera so QCNAT Staff can see you. Meetings are typically 45 - 60 minutes. The link to Zoom will be in Google Classroom under Classwork.

Independent Google Classroom: Online assignments are due by the dates outlined below and take approx. 20 hrs. All ONLINE MATERIALS must be completed by close of business on 01/26/2022. This is 1/3 of your grade. Students fail if work is incomplete.

Clinical: Each student will complete 16 hours of clinical. Clinical dates listed are subject to change based on clinical site availability, class size, and potential Covid outbreaks. Students should be available for all clinical dates.

Vaccines Due: Students are REQUIRED to bring COVID-19 and Flu vaccination information on the FIRST IN-PERSON day. The 2-Step TB is due before July 14th. The 2-step TB Test involves a total of 4 visits to the clinic and takes a full two weeks to complete. We strongly recommend that you make your appointments immediately. If you've received a TB test within the last 365 days, please bring copies with you on the first day of class. We will also accept a negative chest x-ray or blood test in place of the 2-Step TB Test. Students without the required documents by the date listed above will be dropped/failed from class without refund.

Flex Day: This day is to be used for additional class time, as a weather make-up day, emergency cancellation day etc. as determined by Quality CNA Training. If needed, this day is MANDATORY for all students.
