

## NEW STUDENT FAQ's

### Q: What happens after I apply?

After submitting your application, you will receive an email from [Registration@QualityCNATraining.com](mailto:Registration@QualityCNATraining.com) or [Tanya@QualityCNATraining.com](mailto:Tanya@QualityCNATraining.com). They will email you two fillable forms. The first is a Background Information Disclosure (BID) form. This form enables us to run your required background check before being placed on the class roster. The second form is a policy and procedures form. This form outlines all of our student policies and student expectations for the training program. You can complete these forms on your smartphone or computer.

Once you have filled out both forms, you will need to email them back to us. If you have not already paid, you will also receive a payment portal link. Please note that your seat in the class is not guaranteed until you have submitted full payment and returned the two completed forms along with any required medical documentation.

You will also need to email us your COVID and Flu vaccination records (as required by your location) or a letter requesting an exemption.

We will also email you a QCNAT Medical form that should be used for your **Two-Step TB Test**. This form can be turned in to your primary instructor on your first day of in-person class.
