February 2024 Day Class Schedule

Course #DRN020624

Our Quality CNA Training course trains individuals in the art of caregiving, focusing on the five principles of care that should inform every decision a caregiver makes. Our training approach includes a variety of learning styles to help every student master their skills.

TBD	TENTATIVE	Headmaster State Exam Skills Test @ 8 AM

Class Expectations: Students are expected to arrive 10 min. prior to the start of all in-person dates so class can start on time, this includes both online Zoom meetings. Students can miss the equivalent of ONE classroom day; HOWEVER, this time is required to be made-up on a day approved by the instructor. All missed time will cost \$40 per hr to make up & must be paid on the make-up day.

Zoom Meetings: The "Orientation" and "Final Exam" are completed via Zoom. Students will need a device with a working camera so QCNA Staff can see you. Meetings are typically 45 - 60 minutes. The link to Zoom will be in Google Classroom under Classwork.

Independent Google Classroom: Online work is due by the dates outlined above and takes approx. 20 hrs to complete. This is 1/3 of your grade. Students with incomplete work may request an extension but, a \$100 per day fee is charged to cover staff time to follow-up with student and to grade assignments individually. Students fail if work is incomplete.

Clinical: Each student will complete 16 hours of clinical. Clinical dates listed are subject to change based on clinical site availability, class size, and potential Covid outbreaks. Students should be available for all clinical dates.

*****Medical Documentation:** Students are REQUIRED to bring COVID-19 vaccination and 2 step TB test information on the FIRST IN-PERSON day on **February 12th**. The 2-step TB Test involves a total of 4 visits to the clinic and takes a full two weeks to complete. We strongly recommend that you make your appointments immediately. If you've received a TB test within the last 365 days, please bring copies with you on the first day of class. We will also accept a negative chest x-ray or blood test in place of the 2-Step TB Test.

Students without the required documents by the date listed above are dropped/failed from class without refund.

Flex Day: This day is to be used for additional class time, as a weather make-up day, emergency cancelation day etc. as determined by Quality CNA Training. If needed, this day is MANDATORY for all students.
