

Aug - Sept 2024 Class Schedule

Course #MSS082624

Class Expectations: Students are expected to attend all dates listed below and arrive 5 – 10 min before class starts to be eligible to graduate from the program. Students missing more than 7 hours total are dropped from the program.

Background Checks: Students who are dishonest on their Background Information Disclosure form, are not eligible to participate in the training program. A criminal record does NOT eliminate you from participation but lying about it does. Copies of your background check are provided to the nursing home before clinical approval.

***Clinical:** Each student will complete two sessions of clinical. Students will be assigned to Group A OR Group B clinical based on class size. Clinical dates listed are subject to change based on clinical site availability and instructor scheduling.

****** Vaccine's Due:** Students are REQUIRED to bring proof of FLU & COVID-19 vaccination on Day 1. The 2-step TB is due before **Sept 6th, 2024**. The 2-step TB Test involves a total of 4 visits to the clinic and are done the first two weeks of class on the dates listed below. If you have already received a TB test within the last 365 days, please bring copies with you on the first day of class. We will also accept a negative chest x-ray or blood test if you have already received one. Students without the required medical documentation by the dates listed above will be removed from class.
