October 3rd – October 29th : PM Class Schedule

Course ID#: FDL100325 @Marian University – Stayer Center Building – Training Fee: \$725

Our Quality CNA Training course trains individuals in the art of caregiving, focusing on the five principles of care that should inform every decision a caregiver makes. Our training approach includes a variety of learning styles to help every student master their skills.

TBD	TENTATIVE	Headmaster State Exam Skills Test - Marian Lab

Class Expectations: Students are expected to arrive 10 minutes before the start of all in-person dates so the class can start on time. This includes both online Zoom meetings. Students can miss the equivalent of ONE classroom day; HOWEVER, this time must be made up on a day approved by the instructor. All missed time will cost \$40 per hour to make up and must be paid on the make-up day.

Zoom Meetings: The “Orientation” and “Final Exam” are completed via Zoom. Students will need a device with a working camera so QC NAT Staff can see them. Meetings are typically 45 - 60 minutes. The link to Zoom will be in Google Classroom under Classwork.

Independent Google Classroom: Online work is due by the dates outlined above and takes approximately 20 hours to complete. This is 1/3 of your grade. Students with incomplete work may request an extension, but a fee of \$100 per day may be charged to cover additional staff time for follow-up and grading of assignments individually. Students fail if their online work is incomplete.

Clinical: Each student will complete 16 hours of clinical. Clinical dates listed are subject to change based on clinical site availability, class size, and potential Covid outbreaks. Students must be available for ALL clinical dates. Groups are assigned on the 1st classroom/lab day.

*****Medical Documentation:** The REQUIRED 2-Step TB test involves a total of 4 visits to the clinic & takes 14 DAYS to complete. Please make your appointments immediately. **This must be completed within 90 days before the start of clinical, and our TB form MUST be used.** A negative chest x-ray or blood test in place of the 2-Step TB Test is also okay. If you have your FLU & COVID-19 vaccines, please provide a copy of your card showing the dates. If you don't have it, ask us if it's required or if a waiver is needed.

Students without the required documents by the date listed above will be dropped/failed from class without a refund.

Flex Day: This day is used to make up hours missed due to bad weather, instructor illness, etc., as determined by QC NAT staff. If needed, this day is MANDATORY for all students. If used by students to make up missed hours, the \$40 per hour fee applies.
